

## Medical Boards

### Fund: State Regulatory (0229-00)

Sources: All fees collected in this fund derive from licensure and registration of pharmacists, pharmacies, other drug outlets, and reciprocity of pharmacist's licenses from other states (Idaho Code Title 54, Chapter 17). Pursuant to Idaho Code 54-1720 (5)(a), the current fee structure is set forth in rule at IDAPA 27.01.01.401. The following are among the several fees authorized by Administrative Code; pharmacist license: active \$90, inactive \$50, pharmacy license \$100, parenteral admixture license \$100, out of state mail service pharmacy: initial license \$500, renewal \$250; nursing homes and hospitals without pharmacies \$35; wholesalers of OTC and legend drugs and devices \$100; pharmacy and veterinary drug technicians \$35. Idaho Code 37-2715 also allows the board to collect reasonable fees related to the registration and control of the manufacture, distribution and dispensing of controlled substances within the state; professionals including physicians and pharmacists \$60; facilities \$100.

Uses: BOARD OF PHARMACY: To inspect and audit drug outlets, to regulate and audit continuing education requirements for pharmacists' renewal of license; maintenance of effective control against diversion of controlled substances into other than legitimate medical, scientific or industrial channels; and be responsible for assuring purity and quality of drugs and devices sold within the state in order to protect the public health and safety of the citizens of Idaho.
